Our reference	Price increase for Low Voltage Switchgear items
Date	4 th November 2024

Confirmation of price increases for Low Voltage Switchgear – SI EP

Kindly take note that the SI EP (Smart Infrastructure – Electrical Products) business unit will increase list pricing by an average of 2.5% (two and a half percent) on 1st December 2024. In addition to this increase, there will be an average increase of another 2.5% (two and a half percent) on 1st January 2025.

These increases are not related to variations in the rates of exchange.

Please kindly reach out to the undersigned should you have any further questions or queries, and we will gladly support further.

Note: This notification applies only to the Low Voltage Switchgear business – Smart Infrastructure – Electrical Products.

Yours faithfully
SIEMENS (PROPRIETY) LIMITED
With kind regards

Kruben Bennie
